

I believe in the Holy Spirit, the eternal immigrant from the Reign of God to us,
who speaks all languages,
lives in all countries,
and joins together all cultures.

Geneva International Day of Fasting

Thursday, September 11th 2014

« Living Together in Diversity »

Plum tart marks the commemoration of the Day of Fasting in Geneva. But the Geneva International Day of Fasting will bring together more than pastry. Many parishes and communities in Geneva with their diverse histories and spiritualities will join in a vibrant day of sharing and learning. Although different, these communities have a commitment to a common witness of their faith in Jesus Christ and to his reign of justice.
