AN INTERGENERATIONAL DIALOGUE ON HOW PEACE STARTS WITH ME

How do peacebuilders actually build peace? What tools do they have and how can I use them? Be inspired by these unique stories and connect with others to equip yourself with your personal tools to promote peace.

Join us as we celebrate Geneva Peace Week and commemorate World War I Armistice Day through a unique inter-active dialogue.

## HOW IT WILL WORK

Our three peacebuilders will share their work with the audience

Our audience will then split into three groups around the UN Library to speak separately with one of the peacebuilders

After ten minutes, each group of participants will move on to speak with another peacebuilder
